## International Audio Group (Wharfedale & Audiolab)

### Peter Comeau

*Director of Acoustic Design*

Peter Comeau started his career with IAG in 1999, as the Acoustic Design Director IAG's MISSION brand.

In 2009 he became the overall Acoustic Design Director for IAG, taking control of all speaker acoustic principles within IAG's prestigious brands. Peter has been responsible for many acclaimed products and international award-winning designs over the last 20 years and is very well respected within the specialist audio market around the world.

He is based at the IAG office in Huntingdon, Cambridgeshire, UK but also spends significant time overseeing the supporting Research and Development team in IAG's head office, in Shenzhen, China.

Peter Comeau holds a degree in Electronic Engineering.

Prior to MISSION, Peter was a founding Director at Heybrook Hi-Fi Ltd
